____ Conference

I have been charged in an indictment with violations of federal law. I understand that I have a right to be present at all conferences concerning this indictment that are held by a judge in the Southern District of New York, unless the conference involves only a question of law. I understand that at these conferences the judge may, among other things, 1) set a schedule for the case including the date at which the trial will be held, and 2) determine whether, under the Speedy Trial Act, certain periods of time should be properly excluded in setting the time by which the trial must occur. I have discussed these issues with my attorney and wish to give up my right to be present at the conferences. By signing this document, I wish to advise the court that I willingly give up my right to be present at the conferences in my case for the period of time in which access to the courthouse has been restricted on account of the COVID-19 pandemic. I request that my attorney be permitted to represent my interests at the proceedings even though I will not be present.

____ Entry of Plea of Guilty

I am aware that I have been charged with violations of federal law. I have consulted with my attorney about those charges. I have decided that I wish to enter a plea of guilty to certain charges. I understand I have a right to appear before a judge in a courtroom in the Southern District of New York to enter my plea of guilty and to have my attorney beside me as I do. I am also aware that the public health emergency created by the COVID-19 pandemic has interfered with travel and restricted access to the federal courthouse. I have discussed these issues with my attorney. By signing this document, I wish to advise the court that I willingly give up my right to appear in person before the judge to enter a plea of guilty. By signing this document, I also wish to advise the court that I willingly give up any right I might have to have my attorney next to me as I enter my plea so long as the following conditions are met. I want my attorney to be able to participate in the proceeding and to be able to speak on my behalf during the proceeding. I also want the ability to speak privately with my attorney at any time during the proceeding if I wish to do so.
